EDUCATION

UNIVERSIDADE FEDERAL FLUMINENSE (UFF)
Bachelor's in Information Systems
2022.1 to 2026.2

SKILLS

- Flutter/Dart
- SQL
- Python
- Automation and Selenium
- RESTful APIs
- Git & GitHub
- Artificial Intelligence
- Security Best Practices
- Firebase (Firestore, Auth, FCM)
- Fluent English

OWN PROJECTS

- Aromático: Perfume Guide. App Store and Google Play. Flutter, Firebase, Python, AI. Brazil's first perfumery app. Python olfactory analysis engine with a two-stage architecture, Firebase integration (Firestore + Auth), published on both stores. Complete project from scratch, from concept to production.

PROFESSIONAL SUMMARY

Fullstack Developer focused on Mobile (Flutter/Dart), specialized in building scalable solutions, process automation and Artificial Intelligence integration. Real projects published on the major app stores. Experience with architectural patterns (Clean Architecture, GetX), Clean Code, REST API consumption and delivery of scalable solutions.

EXPERIENCE

JUNIOR MOBILE DEVELOPER
Fadami (10/2025 to 02/2026)

- Development and maintenance of cross-platform apps with Flutter/Dart, applying Clean Code and SOLID.
- Strategic code refactoring and implementation of architectural patterns (MVC / Clean Architecture).
- RESTful API integration, ensuring stability, performance and adherence to best practices.
- Writing unit and widget tests to ensure delivery quality.

IT INTERN
Grupo Águas do Brasil (12/2024 to 10/2025)

- Technical lead on automation with Python and Selenium, eliminating critical manual processes.
- Worked with the QA team on system acceptance testing and bug validation.
- Integration of workflows with REST APIs and support for the delivery quality cycle.

MOBILE DEVELOPMENT INTERN
QVend (11/2023 to 11/2024)

- Fullstack development of an application from scratch to store release with Flutter/Dart.
- Responsible for architecture, SQL modeling and backend integration.
- RESTful API integration and version control with Git.
- Worked across the entire product lifecycle: concept, development and deployment.
